#### **Informed Consent for Massage Therapy**

I hereby consent for my therapist to treat me with massage therapy after assessment, examination and explanation of techniques recommended. I acknowledge the therapist is not a physician and doesn't diagnose illness or disease or any other physical or mental disorder. I clearly understand massage is not a substitute for a medical examination. I understand there are other options I may seek if massage doesn't solve my needs. I understand no assurances or guarantees have been made to me as to the results of this treatment. I understand that as with any treatment there may be risks. Any risks have been explained to me. I assume responsibility for those risks. I understand that the massage therapist must be fully aware of any existing medical conditions. I have completed my health intake form accurately. I also agree to keep the therapist apprised of any new conditions or medications. I authorize my therapist to release or obtain information pertaining to my condition(s) and/or treatment to/from other medical providers or third party payers. I have been given time to ask questions about massage treatment.

# FINANCIAL POLICY AND AGREEMENT

## Cancellation & Missed Appointment Fees

A 24-hour notice is required for appointment cancellations. If we do not receive a 24-hour notice, you will be charged a \$60 appointment cancellation fee. A \$60 charge will be billed for all missed appointments.

---

Please **thoroughly read through the details of the method of payment that applies to you**, sign that you have read and agree to abide by the financial policy as listed below. Please also **initial** the method of payment box that pertains to you.

### Self Pay/Not Billing Insurance

Payment is expected at the time services are rendered. Cash, checks and credit cards (excluding American Express) are accepted for payment. An administrative discount is offered to patients who pay their account in full at the time of service, maintain a zero balance on their account and do not require insurance billing by this office.

### Auto Insurance

You must notify your insurance carrier of the accident and file a Personal Injury Protection (PIP) form with them. We will bill your auto insurance company. In the event the auto insurance check is sent to you, you are expected to bring the check to our office to be applied to your account. If for any reason your claim is denied or not paid in full by your insurance company, you will be responsible for your bill.

### Workers' Compensation

You must report your injury to your employer and fill out an injury report form (801) at your place of employment. We will bill your Workers' Compensation carrier. If for any reason your claim is denied or not paid in full, you will be responsible for your bill.

### Private Insurance

If you have insurance, which covers alternative care or mental health, we will bill your insurance company directly. Copays are due at the time of service. If you have a Coinsurance or Deductible, you will be billed upon receipt of the Explanation of Benefits from your insurance company. In the event the insurance check is sent to you, you are expected to bring the check to our office to be applied to your account.

- Verification of benefits is not a guarantee of payment by your insurance company.
- Any services not covered by your insurance plan are your responsibility. Services sometimes not covered by insurance may include, but are not limited to: TMJ/TMD Treatment, Fertility Treatment, Massage by a Licensed Massage Therapist.
- Some insurance plans have a separate benefit for each treatment code billed. Example: A chiropractic office visit, spinal manipulation and manual therapy codes might each have a separate benefit. Often manual therapy codes are applied to a deductible. It is YOUR responsibility to know your covered benefits.

I authorize my insurance company to make payment directly to this clinic for services rendered and permit this clinic to endorse co-issued remittances for the conveyance of credit to my account. **I understand this clinic will prepare any medical records, necessary forms and reports to assist me in making collection from my insurance company and that any amount paid directly to this clinic will be credited to my account upon receipt.** However, I clearly understand and agree that all services rendered are charged to me directly and that I am ultimately personally responsible for full payment. I agree to pay any costs or fees incurred in connection with the collection of my account, including attorney fees and court costs.

I have read, understand and agree to abide by the above financial policy that applies to me, including the Cancellation & Missed Appointment policy.

## Email Communication Consent Form

Your email will not be sold or shared. We will not be sending you any newsletters or advertisements. This is a HIPPA compliant form required in order to allow correspondence between you and your healthcare provider, as well as our staff and billing department, if you so choose. Here are some examples of email correspondence:

- Receive exercises from your chiropractor.
- Request supplements from your provider.
- Receive notifications from your provider upon supplement shipment arrival.
- Correspond with our billing department.
- Appointment reminders, if that is the method of reminder you have chosen.

### Risks and Conditions of Using Email

I have been advised that:

- I may not use email to cancel or schedule appointments. All scheduling must happen via phone or in person due to an ever-changing scheduling calendar.
- Email is never appropriate for urgent or emergency problems.
- Emails should not be used to communicate sensitive medical information such as information regarding sexually transmitted diseases, AIDS/HIV, mental health, developmental disability, substance abuse, etc.
- All email correspondence will become a part of my health record. It is extremely important to include name and date of birth on each and every email to my healthcare provider. Since email may not be monitored while my healthcare provider is away on business or vacation, I will follow up by telephone or in person if I don't receive a response within a reasonable amount of time.
- Email is not confidential. Employers have a legal right to monitor email if they choose; system operators for most email systems have access to all email that passes through their systems.
- There is not a way to assure the privacy of email on a shared computer or email account.
- Email communications travel across the public Internet. It is not possible to verify that email is actually received, opened and read by the addressee.

I acknowledge that I have read and fully understand this consent form. I understand the risks associated with the use of email as a form of communication between Hawthorne Wellness Center and myself. I understand that I may revoke this agreement at any time by contacting Hawthorne Wellness Center in writing.
